Web Specifications

1a. Website Objective and Goals

Objective:

The objective of this website is to promote and showcase a printing business by providing information about the services offered, pricing, and previous work. The website aims to attract potential customers, increase brand awareness, and provide an easy way for customers to request printing services online.

Goals:

- To increase the number of customers requesting printing services
- To showcase design and printing quality through a portfolio/gallery
- To provide clear information about services such as posters, flyers, business cards, and banners
- To allow customers to submit enquiries or orders through a feedback/contact form
- To build a strong online presence for the printing business

b. Target Audience

Target Audience:

- **Age Group:** 16 – 45 years
- **Gender:** All genders

- **Location:** Local customers (e.g., Gaborone and surrounding areas)
- **Occupation:** Students, small business owners, event organizers, and corporate clients

Technical Aptitude:

- Basic to intermediate internet users
- Mostly mobile phone users
- Familiar with social media and browsing websites
- Prefer simple, fast, and visually appealing websites

c. Type of Website / Content

Type of Website:

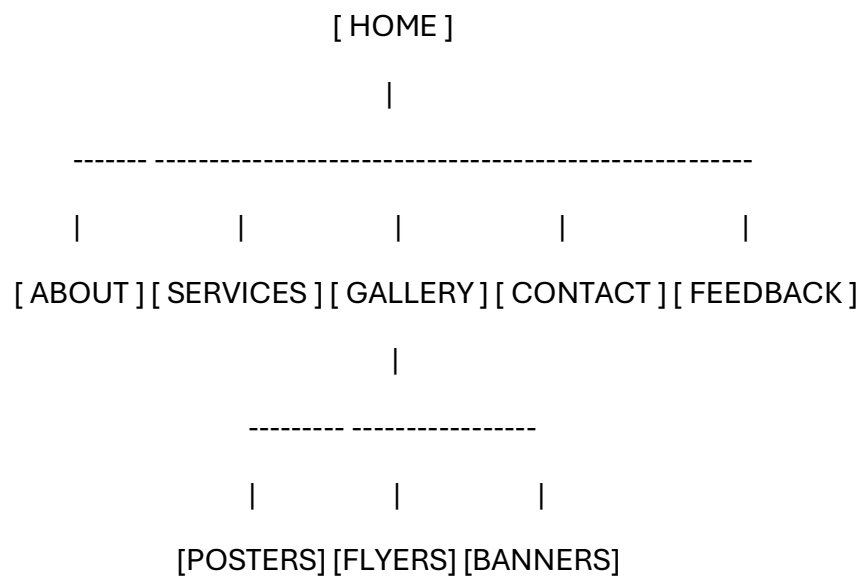

This will be a **business/service website** with elements of:

- Portfolio (to showcase previous work)
- Informational website (services and pricing)
- Interactive website (contact/feedback form)

Content Included:

- Home page (introduction and highlights)
- About page (information about the designer)
- Services page (design services offered)
- Portfolio gallery (design work samples)

- Contact page (form, email, phone details)

Portfolio Categories

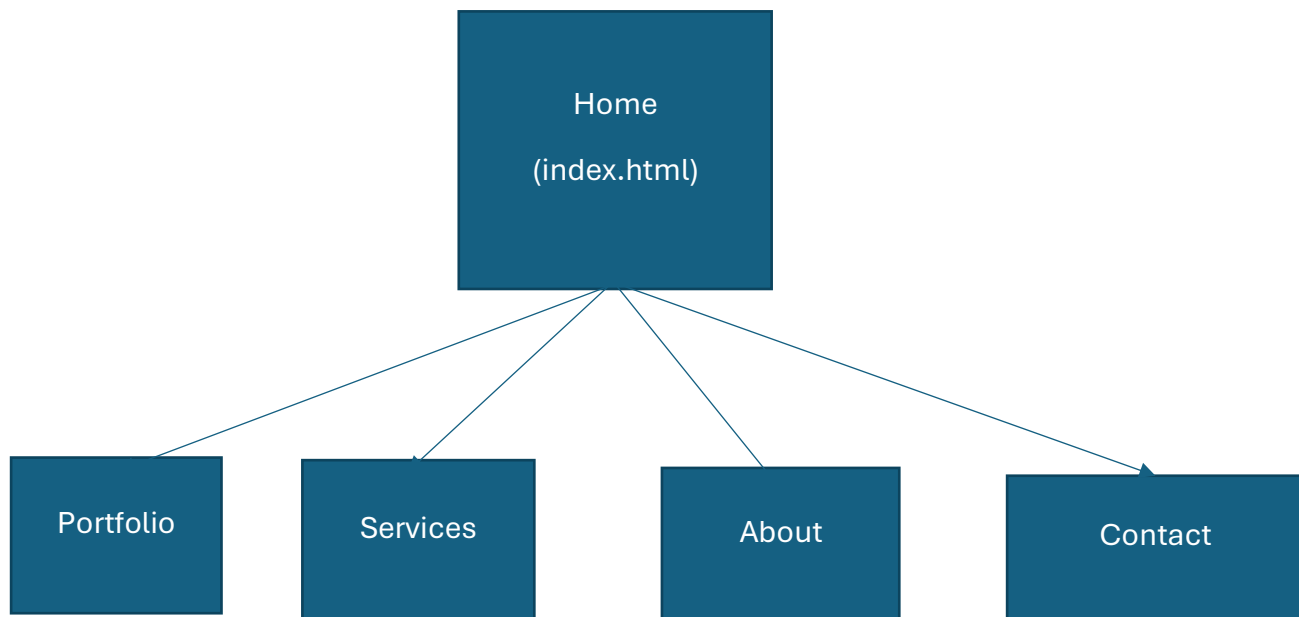

- Posters
- Business Cards
- Banners
- Flyers

Services Categories

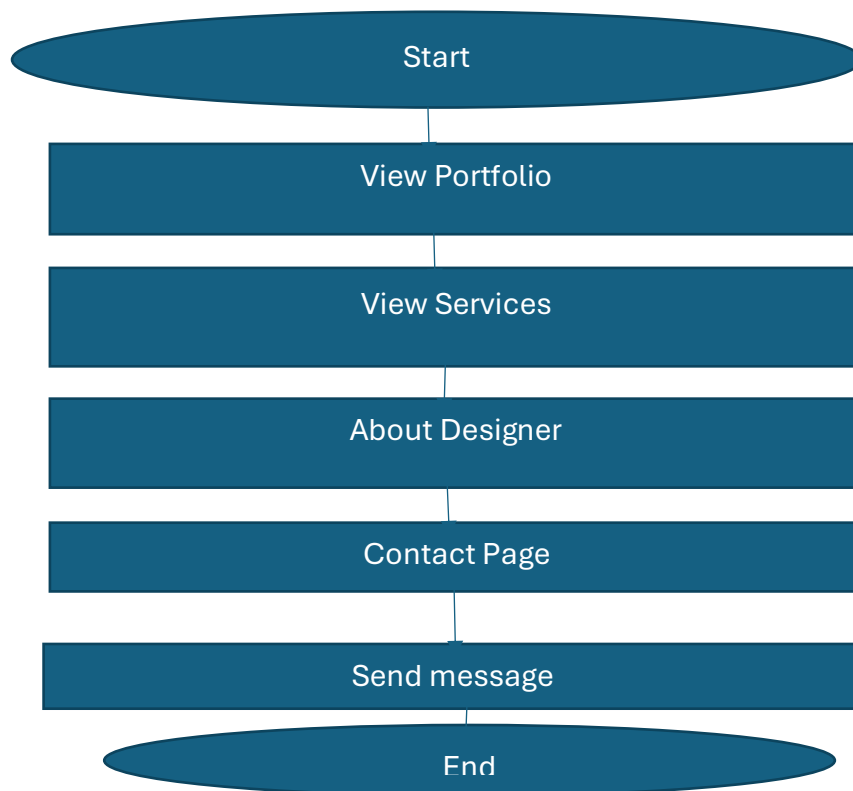

- Poster Design
- Business Card Design
- Banner Design

- Flyer Design
